

21st May 2018

To all parents

Dear Parents

General Data Protection Regulation (GDPR)

On 25th May 2018, the current Data Protection Act will be replaced by the General Data Protection Regulation (GDPR).

The GDPR is focused on protecting the rights and privacy of individuals, based on the principle that people have the right to be informed about what data is held about them and how it is processed.

We are fully confident that the school complies with its data protection obligations and in readiness for 25th May, we have updated some of our policies and procedures.

All personal data which is needed for the daily running of the school is described in the Privacy Notice for Pupils and Parents. A copy of the Privacy Notice for Parents/Carers can be found on the school website in the school policies section.

If you have any questions about the school's approach to GDPR, then please contact me.

Yours sincerely

JAMES CANWELL
HEADMASTER
