To all parents

Dear Parents

**The School App**

The BMPS app is part of our commitment to communicate with parents, to deliver the school's latest news and much more.

The recent inclement weather has demonstrated what a great tool the push notifications are to contact and notify all our parents at short notice.

The app is FREE for you to download and will provide you with the option to receive push notifications.

The app can be used on smartphones and tablet devices running iOS or Android and can be downloaded from the Apple App Store and Google Play Store. You will need to enter 'myprep'. Once the app has downloaded you will need to select 'BMPS'.

You can also select which notification groups you wish to belong to in the apps settings.

You will also find the school diary, school news and photographs on the App.

**We would encourage all our families to make use of the App; it is imperative that we can contact all our parents as a whole if necessary.**

Yours sincerely

JAMES CANWELL  
HEADMASTER
